Requirement to wear Masks in *The Old School*

1. Excerpt from Government Guidelines of 7.8.2020:

“When to wear a face covering

“There are some places where you must wear a face covering by law. In England, you must wear a face covering in the following indoor settings – list including:

- community centres, youth centres and social clubs

“You are expected to wear a face covering before entering any of these settings and must keep it on until you leave unless there is a reasonable excuse for removing it. More detailed advice on the application of these requirements in different settings can be found in the Government’s guidance for [working safely](#).

“You should also wear a face covering in indoor places not listed here where social distancing may be difficult and where you will come into contact with people you do not normally meet.”

2. Responsibilities:

Anyone hiring a hall in, or otherwise making use of, *The Old School* is personally responsible for ensuring compliance with relevant COVID 19 guidelines, including the wearing of face coverings (see above).
